# CONTINENTAL SOCIETIES, INC.

## Midwest-Western Region

*A Public Service Organization Dedicated to Serving Disadvantaged and Underprivileged Children & Youth*

Greetings, Sisters!

The Might Midwest-Western Region of Continental Societies, Inc. is on the move! We are preparing to meet in Houston, Texas for "MORE THAN A MEETING: A Continental Experience". The members of the Houston Metropolitan Chapter are poised to serve you as hostesses, and warmly welcome you.

We are working to deliver the best regional meeting...EVER! Plans are in the works for new and exciting forums, workshops and times for intergenerational interaction to accompany our business and reporting sessions. Additionally, we are planning a unique and fun awards luncheon, recognizing your accomplishments as chapters and individual members who have delivered outstanding service to the organization and to the children in your communities.

Our meeting and activities will be held at the Embassy Suites-Houston Galleria, comfortably nestled amid restaurants, galleries, museums and shopping in Houston – the most culturally diverse city in our nation.

Online registration will be available and hard-copy-mail-in registration is available as well (see your Chapter President for a package). The Online Registration Portal will open 1/15/2020. Watch your email for a direct invitation to register. Please note that the registration fee is \$100 for all CSI members. Additionally, we have activities planned for our "Continental Guys" and the details are included in the full registration package. Late registration (after 3/20) will be \$125 and must be completed via the on-line process. Late registrants should be aware that all "promos" may not be available to them, due to time restraints.

We will again hold a drawing for a registration refund and ALL paid registrants will be eligible for a possible refund of \$100! Other prizes and surprises are on tap, as well. We are anticipating our highest attendance ever; plan to be part of THE EXPERIENCE.

Please begin budgeting and planning to attend the meeting in this exciting city. Come prepared to listen, learn and exchange ideas with your sisters who share a common goal of reaching children to enhance their lives and learning experiences.

Sisterly in service,

*Regina G. Deadrick*  
MWW Regional Director

*Bennete Davis*  
Houston Metropolitan Chapter President

**"Our Children, Our Commitment, Our Concern"**
